

# OCR FOR KNOW YOUR CUSTOMER (KYC)

Technology for the industries of the future.

Know your customer (KYC) solutions provide a great opportunity for all digital onboarding processes.

We have three different OCR solutions, on premise, cloud and chrome extension, that comply with all your security standards and integration requirements.

With 98% accuracy and the highest security standards, your information and your customers will be reliable and safe.\*

## Easy Onboarding

Transform your customers' onboarding experience.

## Data Protection

Comply with strict country regulations in the cloud or on-premise.

## Time Efficient

Reduce time and cost, use OCR to eliminate keystroke processes.

\*Ask for the details in the accuracy and security standards.
